Spravato is a Nasal Spray Prescription Medication to treat Adults with Treatment-Resistant Depression

#### Benefits of Spravato:

- Immediate Results
- Long-Term Benefits
- Fewer Side Effects
- FDA Approved
- Covered By Insurance, Including CalOptima

The NeuroStar Advanced Therapy TMS system generates highly concentrated, magnetic fields which turn on and off very rapidly. These pulses are used to stimulate the left prefrontal cortex, which is commonly underactive in people suffering from depression.

#### Benefits of TMS Therapy:

- Therapy for Depression & OCD (Obsessive Compulsive Disorder)
- FDA Approved
- Non-drug
- Non-invasive
- Covered by Insurance
- Proven to Clinically Work
- 36 Treatment Sessions
